MOTION TO CONTINUE TRIAL

NOW COMES Defendant, by and through undersigned counsel, and moves the Court to continue this case from the March calendar. In support hereof, Defendant states the following:

1. Defendant is charged with multiple counts of possession of child pornography by indictment filed with this Court on December 13, 2022.
2. The parties have not yet agreed on the terms of a plea agreement. Counsel and Defendant require additional time to discuss Defendant's options and for Counsel and the United States to fully discuss a resolution of this matter. The undersigned's ability to discuss the discovery and other matters with Defendant have been hampered by COVID-19 and the need to meet virtually, which makes the sharing of discovery material extremely difficult. Defendant was released from custody on February 22, 2002, allowing him to meet with counsel face-to-face for the first time.

3. Counsel has conferred with the Assistant United States Attorney in this matter, Ms. Kennedy Gates, and she has indicated that the United States has no objection.

WHEREFORE, Defendant respectfully requests that this matter be continued to the April calendar.

This the 23rd day of February 2022.
